C-CLEAR GLASS CLEANER

Frequently Asked Questions

Aerosol Foam **19 oz** **Glass & Acrylic**

ABOUT C-CLEAR

What is unique about C-Clear?

C-Clear sprays a thick, white foam that clings to surfaces, so it doesn't run or drip. It cleans a variety of glass surfaces and removes marker, crayon and other hard-to-remove soils.

What can I use C-Clear on?

Windows, doors, mirrors, display cases, sneeze guards, Plexiglas®, Lexan® and other acrylics.

Can C-Clear clean stove tops?

Yes. C-Clear removes a wide range of residue from stove tops. Spray, wipe with a dry paper towel, and repeat as needed.

What does C-Clear smell like?

C-Clear has a pleasant perfume fragrance.

Does C-Clear leave streaks?

No. Wiped dry with a paper towel, C-Clear leaves no streaks or film.

USE AND SAFETY

How do I use C-Clear?

Spray C-Clear onto the glass and wipe it away with a dry paper towel. Repeat until the glass is clear.

Can I use C-Clear in my home?

Yes. C-Clear is made for glass and similar surfaces in homes and businesses. Use it only as directed on the can label, and read the Safety Data Sheet for handling and first-aid information.

Read the product label and SDS before use. Answers are general guidance; the label directions govern.

AVAILABLE SIZES

19 oz aerosol can
