

## AZURE FOAM WASH

Azure Foam Wash is a blue lotion foam soap with a mild floral fragrance. It provides general purpose hand and body cleansing. Azure Foam Wash is ideal for wash basins, showers, locker rooms and campgrounds.

The Azure Foam Wash hand soap dispensing system provides a unique alternative to conventional liquid soaps. The instant, foamy lather does not drip; it spreads rapidly across the hands and each 1-liter foam soap cartridge delivers more than 1,400 washings.
