

C-CLEAR GLASS CLEANER

C-Clear Glass Cleaner is a convenient aerosol with a thick, white foam that clings to surfaces for ease of use. It does not run or drip like other household window cleaners.

C-Clear cleans quickly and leaves no film. It will clean marker, crayon and a variety of other hard-to-remove soils from glass and will not streak.

Physical Properties (Typical)

Appearance	Clear Liquid
Density	8.76 pounds/gallon
Odor	Perfumed
pH	11
Specific Gravity	1.05 (Water = 1.00)

Directions for Use

Spray C-Clear onto glass surface and wipe it away with a dry paper towel, do this multiple times if needed until glass is clear

This product does not contain any nonylphenol ethoxylates (NPEs). It is better for the environment and is subject to fewer regulatory restrictions than similar NPE-containing products.

This product does not contain any phosphates.

Available sizes: 19 oz.
