

## FRESH FOAM HAND SOAP

### HAND WASH FOR USE WITH DEVERE FOAM SOAP DISPENSERS

This product is an economical, high-foaming hand washing detergent designed to produce thick, rich lathering foam. It cleans thoroughly and is gentle on hands.

Fresh Foam Hand Soap has a crisp mango fragrance. This product contains antimicrobial agents and is intended for industrial, institutional and household use.

#### Physical Properties (Typical)

Appearance	Orange liquid
Density	8.35 pounds/gallon
Odor	Mango
pH	7
Specific Gravity	1.00 (Water = 1.00)

#### **Directions for Use**

- Wet hands with water
- Apply Fresh foam Hand Soap to hands
- Rub hands together to spread lather
- Rinse hands and dry thoroughly

Fresh Foam Hand Soap does not contain any nonylphenol ethoxylates (NPEs) and therefore is better for the environment and faces fewer regulatory restrictions and environmental implications than similar NPE-containing products.

Fresh Foam Hand Soap does not contain any phosphates.

Available sizes: 1 L Cartridges & 1 gal.
