

HEADS UP 10

MULTI-PURPOSE ACID CLEANER • DISINFECTANT • FOOD CONTACT / NON-FOOD CONTACT SANITIZER • DEODORIZER • ODOR NEUTRALIZER • VIRUCIDE

EPA Reg. No. 10324-67-5174 EPA Est. No.: 5174-WI-1

Heads Up 10 is an ideal cleaner/disinfectant/sanitizer for use in areas where mineral soils are a challenge. This product leaves behind a shiny, mineral-free surface when used in food plants, farms or in the third sink in bars.

This product produces a low to moderate foam and is appropriate for use in CIP, COP and manual cleaning applications where this level of foam is desirable.

Physical Properties (Typical)

Appearance	Colorless liquid
Odor	Mild to none
Specific gravity	1.17 (9.76 pounds/gallon)
pH (1% solution)	< 2

Use this product in restaurants, bars, kitchens, taverns, cafeterias, institutional kitchens, fast food operations, food storage areas, catering, bakeries, food processing plants, USDA-inspected food-processing facilities, federally inspected meat and poultry plants, egg processing plants, poultry and turkey farms, farms, dairy farms, milk storage and handling systems, bulk milk tanks hog farms, meat/poultry processing plants, mushroom farms, rendering plants, poultry and animal dressing plants, meat packing plants, hide and leather processing plants.

Directions for Use

This is an EPA-registered product. Use only according to label directions.

Heads Up 10 does not contain any nonylphenol ethoxylates (NPEs). It is better for the environment and is subject to fewer regulatory restrictions than NPE-containing products.
