

LIQUID CLEANER

CONCENTRATED NEUTRAL CLEANER FOR WASHABLE HARD SURFACES

Liquid Cleaner (LC) is a concentrated, pH-neutral cleaner for washable hard surfaces and all types of floors. LC will not dull floor finishes even when used on a daily basis. LC is excellent for hand washing automobiles as it contains no harsh chemicals. LC is free-rinsing, leaves no film and has a pleasant scent. LC may even be used as a fruit and vegetable wash.

Physical Properties (Typical)

Appearance	Pink Liquid
Density	8.42 pounds/gallon
Odor	Orange
pH	7
Solubility	Complete at recommended dilutions
Specific Gravity	1.01 (Water = 1.00)

Directions for Use

- Mopping:
 - Daily Maintenance: Use 3 ounces in 3-gallon mop bucket
 - Heavy Traffic: Use 6 ounces in 3-gallon mop bucket
- General Purpose Cleaning: Use 2 ounces per gallon of water
 - Apply with a clean mop, sponge or by spray; rinse clean with water

All significant components in Liquid Cleaner are biodegradable. A biodegradability statement is available upon request.

Liquid Cleaner does not contain any nonylphenol ethoxylates (NPEs) and therefore is better for the environment and faces fewer regulatory restrictions and environmental implications than similar NPE-containing products.

Liquid Cleaner does not contain any phosphates.

Available sizes: 1 gal. & 5 gal.
