

LED AIR NEUTRALIZERS – METERED AIR FRESHENERS

LED Air Neutralizers are metered aerosol air fresheners that deodorize restrooms and other areas where odors are a problem. This product provides continuous deodorizing by spraying an aerosol mist at set intervals (3,000 sprays per can).

Physical Properties (Typical)

Appearance	Liquid that will be aerosolized
Density	7.18 pounds/gallon
Odor	Depends on variation
pH	N/A
Specific Gravity	0.86 (Water = 1.00)

Directions for Use

- For use as an individual product o Spray the air freshener scent of your choice in the air and smell the difference immediately.
- For use with the LED Dispenser
 - Put the Metered Air Freshener scent of your choice into the LED Dispenser
 - Select the interval at which you want the air freshener to be sprayed (5, 15, or 30 minutes)
 - Turn the dispenser on and forget about it for a couple days (time depends on the interval chosen)

Available scents:

- Linen Fresh
- Melon Mist Garden
- Vanilla
- Cinnamon
- Rain Forest Spa

This product does not contain any nonylphenol ethoxylates (NPEs). It is better for the environment and is subject to fewer regulatory restrictions than similar NPE-containing products.

This product does not contain any phosphates.

Available sizes: 7 oz.
