

STAINLESS STEEL CLEANER & POLISH

Stainless Steel Cleaner & Polish is a convenient aerosol that cleans, polishes, and brightens stainless steel and other smooth, polished surfaces. It is ideal for stainless steel appliances! This product helps preserve the factory finish because it leaves a lustrous protective film that resists fingerprints, water marks, and grease stains.

Physical Properties (Typical)

Appearance	White, Creamy Emulsion
Density	7.93 pounds/gallon
Odor	Mild to none
pH	N/A
