

THAW AND WASH

READY-TO-USE FREEZER FLOOR AND SURFACE CLEANER

This product is a ready-to-use (no dilution required) detergent blend that washes away fats, oils, greases and other soils down to -22° F (-30° C). This product contains non-flammable ethylene glycol (antifreeze) and works with mop, spray and wipe, and floor scrubber applications.

When applied, this product breaks through and melts ice and targets soils for easy removal. There is no need to defrost the freezer to deep-clean with THAW AND WASH.

Physical Properties (Typical)

Appearance	Yellow liquid
Density	9.0 pounds/gallon
Odor	Lemon
pH	Not applicable, not aqueous
Solubility	Complete at recommended dilutions
Specific Gravity	1.08 (Water = 1.00)

Directions for Use

Spot Cleaning

- Spray 6-8 inches from surface
- Wipe dry with a towel

Floors

- Use undiluted to mop floors as needed to maintain a clean surface
- Use undiluted in floor scrubber according to equipment manufacturer's directions

THAW AND WASH does not contain any phosphates.

Available sizes: 5 gal.
