

SCENTED URINAL SCREENS

Scented Urinal Screens contain more than twice as much fragrance as others. Revolutionary design – these screens are designed to eliminate splashback thus protecting the floor, reducing odor and preventing the spread of bacteria throughout the facility. Powerful and pleasant fragrances are released continually and last for up to 60 days.

Scented Urinal Screens are available in mango and citrus scents.

Physical Properties (Typical)

Appearance	Orange or Green Urinal Screen
Odor	Mango or Citrus

Directions for Use

Put a Scented Urinal Screen in urinal near drain and replace it every 30 - 60 days.

Features:
