...When You Use Quality DeVere Dishwashing Products

Machine Dishwashing Liquid

- Concentrated, low foaming detergent quickly removes soils & prevents re-disposition
- Formulated for use in high & low temp dishwashers, glass & mug washers
- Works in hard water; free-rinsing

Rinse Rite Low Suds

- Rinse aid causes water to sheet completely off dinnerware & glasses
- Formulated for use in high & low temp dishwashers
- Reduces drying time; eliminates water spots

Sanitizer Concentrate

- Commercial-strength EPA registered sanitizer
- Formulated for use in low temp dishwashers
- Has increased dinnerware de-staining power
