

Questions and Answers on C-Clear Glass Cleaner

Question: “What is unique about C-Clear?”

Answer: C-Clear is DeVere’s best-selling aerosol, and for good reasons. C-Clear can clean a variety of glass surfaces and it sprays a thick, white foam that clings to surfaces. It doesn’t run or drip like other household cleaners.

Question: “What are all of the uses for C-Clear?”

Answer: C-Clear is ideal for windows, doors, mirrors, display cases, Plexiglas, Lexan and acrylics. It can be used on a variety of surfaces from sneeze rails to aircraft windshields! C-Clear can clean anything and everything glass.

Question: “What fragrance is in C-Clear?”

Answer: C-Clear has a pleasant perfume fragrance.

Question: “The webpage for C-Clear says that it even works on stove tops. How well can C-Clear clean stove tops?”

Answer: The result of using C-Clear on stove tops is always amazing, it clean a wide range of residue off stoves. Need proof? Look no further than the picture on the webpage.

Question: “Does C-Clear leave streaks after cleaning with it?”

Answer: No. C-Clear leaves no streaks after cleaning.

Question: “Is C-Clear safe to use in my home?”

Answer: Yes. C-Clear will not damage any glass surface and it will not be harmful if used correctly in a home. If you have any concerns, look at the Safety Data Sheet.
