

BLACKTOP AND CONCRETE CLEANER

BUILT, MODERATE-FOAM FLOOR CLEANER

Blacktop and Concrete Cleaner is an aggressive, concentrated powder for cleaning heavy soil, grease and oil from blacktop and concrete. It is ideal for parking lots, service stations, garages, warehouses and factories.

Simply wet the surface, sprinkle on Blacktop and Concrete Cleaner, let stand for a few minutes, scrub with a stiff broom or brush, and rinse with clean water. This product quickly removes dirt, grease, and oil, leaving a fresh pine scent. Grease-free areas look better, and make safer working conditions.

Physical Properties (Typical)

Appearance	White Powder
Density	8.4 pounds/gallon
Odor	Pine
pH	10 (1% Solution)
Solubility	Complete at recommended dilutions
Specific Gravity	1.01 (Water = 1.00)

Directions for Use

- Wet the surface
- Sprinkle on Blacktop and Concrete Cleaner
- Let stand for a few minutes
- Scrub with a stiff broom or brush
- Rinse with clean water

Note: Hot water will increase its cleaning power.

Blacktop and Concrete Cleaner does not contain any nonylphenol ethoxylates (NPEs) and therefore is better for the environment and faces fewer regulatory restrictions and environmental implications than similar NPE-containing products.

Available sizes: 30 lbs.
