

ENZ-OUT DRAIN & GREASE TRAP OPENER

Enz-Out Drain & Grease Trap Opener (Enz-Out) is a fast-acting bio-enzymatic liquid drain opener and deodorizer. This product is specifically formulated for direct addition to drains and grease traps. Enz-Out contains microorganisms that degrade a wide range of oils and greases. Use on a regular basis to reduce accumulation of oil and grease and keep systems free flowing.

Physical Properties (Typical)

Appearance	Opaque Green Liquid
Density	8.35 pounds/gallon
Odor	Lemon
pH	7
Specific Gravity	1.00 (Water = 1.00)

Directions for Use

GREASE TRAPS: For less than 20 cubic feet capacity, add 4 to 5 oz. daily by pouring in sink or pipe closest to the trap. Flush down with a cup of lukewarm water. For best results, do this at night or when the traps are used the least. For grease traps larger than 20 cubic feet, add 8 to 10 oz. daily using the same procedure.

BLOCKED DRAINS: Remove as much standing water as possible. Pour 16 oz. Enz-Out in the clogged drain. Allow to work overnight if possible. Flush with hot water.

SLOW DRAIN: Treat drains on lowest floor first. Every other day move up one floor. Add at lowest water-use period for best results. Continue daily until system flows freely. To maintain add twice a week in following amounts: 2 inch pipe, 4 oz.; 4 inch pipe, 8 oz.; 6 inch pipe, 12 oz.; and 8 inch pipe, 16 oz. Keeps drains free flowing and controls odors. Use this product to clear all drains (including soda fountain) and keep them clear.

This product does not contain any nonylphenol ethoxylates (NPEs). It is better for the environment and is subject to fewer regulatory restrictions than NPE-containing products.

This product does not contain any phosphates
