

LIME SOLVENT READY TO USE

Acidic Deliming Cleaner

Lime Solvent – Ready to Use is a mild, organic acid cleaner that cleans lime and dirt away without abrasive action. Use this product to make stainless steel look like new!

In the kitchen, this product dissolves hard water lime around chrome faucets, kitchen sinks, steam tables, coffee urns, and glass and metal coffee pots. In the restroom, Lime Solvent – Ready to Use removes lime deposits from faucets, sinks, shower heads, shower stalls, toilets and urinals.

Physical Properties (Typical)

Appearance	Colorless Liquid
Density	8.43 pounds/gallon
Odor	Characteristic
pH	3
Specific Gravity	1.01 (Water = 1.00)

Directions for Use

To remove water spots and lime/mineral buildups:

1. Apply Lime Solvent – Ready to Use directly to the surface
2. Let stand for 5 seconds to one minute
3. Scrub if necessary
4. Wipe or rinse surface. Rinse product directly to drain to clear lime/mineral buildup in pipes.

This product does not contain any nonylphenol ethoxylates (NPEs). It is better for the environment and is subject to fewer regulatory restrictions than similar NPE-containing products.

Available sizes: 1 qt.
