

RESTROOM CLEANER & DEODORIZER

CONCENTRATED CLEANER AND DEODORIZER FOR RESTROOM HARD SURFACES

Restroom Cleaner & Deodorizer (RCD) is a concentrated cleaner for washable hard surfaces in the restroom - sinks, fixtures, partitions, changing tables, doors, walls, toilets, urinals and floors. RCD neutralizes odor-causing substances as it cleans, especially around toilets and urinals, and works as a non-acid bowl cleaner. RCD leaves a fresh, orange scent.

Physical Properties (Typical)

Appearance	Yellow liquid
Density	8.6 pounds/gallon
Odor	Orange
pH	11
Solubility	Complete at recommended dilutions
Specific Gravity	1.03 (Water = 1.00)

Directions for Use

Spray Cleaning

- Add 4 oz. to 32 oz. to spray bottle
- Fill with water to make a ready-to-use spray cleaner

General Purpose Cleaning

Light Soils: Use 4 oz. per 1 gal. of water

Heavy Soils: Use 12 oz. per 1 gal. of water

Toilets Bowls and Urinals

Pour 2 oz. (59.1 ml) RCD on DeVere Bowl Swab and into bowl or urinal

- Spread over entire area (especially under flush ring)
- Flush when done

Mopping

Daily Maintenance: Use 1 ounce per 1 gal of water

High Traffic Areas: Use 3 ounces per 1 gal of water

NOTE: To neutralize odors around toilets and urinals, mop on RCD, let stand a few minutes, rinse

Complete Cleaning Solutions

All significant components in Restroom Cleaner & Deodorizer are biodegradable. A biodegradability statement is available upon request.

Restroom Cleaner & Deodorizer does not contain any nonylphenol ethoxylates (NPEs) and therefore is better for the environment and faces less regulatory restrictions and environmental implications than similar NPE-containing products.

Restroom Cleaner & Deodorizer does not contain any phosphates.

Available sizes: 1 gal., 5 gal. & 15 gal.
